

WMLL Requirements for Spectators & Volunteers (7.24.20)

These requirements apply to spectators & volunteers attending WMLL scrimmages & practices. Coaches may allow spectators to attend team scrimmages or practices but must ensure that Dane County's outside mass gathering limit of 25 players & spectators is being followed. **As such, parents should never attend a scrimmage or practice without advance permission from their team or squad coach.**

THINGS TO KNOW & DO BEFORE ARRIVING AT THE BALLPARK

- **Gathering Limit:** WMLL events of all kinds are limited to a combined total of 25 players & spectators (including family members). Coaches, umpires, official volunteers, Board members, league officials & WMLL staff are not included in the count against this limit.
 - **Attendance Prohibitions:** No spectator may attend a WMLL event if they:
 - Do NOT have advance permission from their team or squad coach to do so (coaches must adhere to gathering limits when extending this permission to team family members).
 - Have symptoms of fever, cough, worsening respiratory symptoms or a known exposure to a person with COVID-19 until they have been cleared by a medical professional.
 - Are at risk for severe illness or have serious underlying medical or respiratory condition without permission from a medical professional.
 - **Hand Sanitizer:** Spectators should bring their own hand sanitizer containing at least 60% alcohol for personal use. Members of the same household may share hand sanitizer.
Note: Hand sanitizer is also available by the concession stand.
 - **Player Drop-Off / Pick-Up:** WMLL families must use the designated player drop-off / pick-up zone on Forward Drive just to the north of the main parking lot entrance. Families must NEVER enter WMLL's parking lot for drop-offs or pick-ups as there are many people in the area.
 - **Parking:** WMLL families may park anywhere on Forward Drive & in the portion of the Madison Ice Arena parking lot close to Forward Drive. The use of WMLL's parking lot is RESTRICTED to those with special needs & coaches carrying heavy equipment bags.
 - **Arrivals & Departures:** Spectators may not arrive at the field area more than 10 minutes before the scheduled start time of their team's scrimmage / practice & must vacate the field area within 10 minutes after the conclusion of their scrimmage / practice to minimize unnecessary interaction with players, coaches, official volunteers & spectators from other teams.
